

You Count for a Brighter Tomorrow!

HELP SHAPE THE FUTURE OF AK-CHIN INDIAN COMMUNITY AND PARTICIPATE IN THE 2020 CENSUS

By responding to the 2020 Census questionnaire your voice can be heard to help provide an accurate count of American Indians in Indian Country. The 2020 Census determines where and how billions of dollars are distributed each year for vital programs and grants for all federally recognized tribes including the Ak-Chin Indian Community. **It's estimated up to \$3,000.00 per person, per year for each member. If you don't participate the Community will lose out on that federal funding, that means you will lose out.**
