

Dear Parents/Guardians,

We hope that you are staying safe during this difficult time, and we want you to know that we are here for you. Ak-Chin Library in partnership with St. Mary's Food Bank will continue to provide free meals to all children 18 and under. In order to further ensure the health and safety of your family, we are now allowing parents to pick up for ALL kids living in the household, | whether or not they are present at the time of pick up. All we need is the following information:

Student Name(s)	Age	Grade

If possible, please provide any of the following additional items and fill in the circle next to any you plan on providing:

- Bring your children to the FIRST Grab & Go pick-up for verification
- Student ID cards or other school-based documentation for the child(ren) at home
- Show a phone-based video stream of the child(ren) at home
- Show a statement from a medical authority for children with health-related risk that are not in the vehicle.
- Limiting the number of meals per vehicle based on familiarity with the family within the community.

By signing below, I confirm that information included above is accurate and the meals received will go to the children mentioned above.
