

# WE ARE HERE FOR YOU

Ak-Chin Tribal Transit has established protocols to minimize Passenger Risk of Exposure to COVID-19. Driver's are enforcing strict cleaning rules and will disinfect the Transit vehicles daily in addition to disinfecting touch points after every passenger exits the vehicle.

We are ensuring cleanliness and safety by disinfecting the interior of our vehicles more frequently focusing on:

- 
- All passenger touch points
- Entry and Exit grab rails
- Doors, seats and seat belts
- Seat grab rails
- Windows
- Pull cords
- Storage areas
- W/C lift when used
- Driver common area

At this time we are limiting the amount of passengers on our vehicles to four at one time. If it is more than four people in one family please speak with Transit on special situations.

—

Driver's have been provided with proper cleaning products promoted to eliminate 99.9% of germs.

—

All Transit staff are educated on the latest prevention measures.

We are focused on minimizing risk and upon arrival all driver's will be wearing a face covering.

—

We are asking that passengers please wear a mask whenever possible while on the bus to reduce the risk of exposure.

—

Driver's have been provided with hand sanitizer.

—

We are following closely all the recommendations made by Federal, State and Local guidance regarding COVID-19 prevention.

## HOW PASSENGERS CAN HELP

- Avoid touching your eyes, nose and mouth
- Avoid close contact with those who may be sick
- Cover any coughs or sneeze with a tissue and then discard of your tissue
- Use an alcohol based hand sanitizer with at least 60% alcohol content
- Wear a mask or face covering whenever possible
