## Community Kids attend Nike N7 Sports Experience

Story and photos by T. Marshburn

To celebrate Super Bowl week and Spring training, The Notah Begay III Foundation, First Tee – Phoenix and US Sports Camps hosted the Nike N7 Sports Experience for local Native American and

Indigenous youth. The camps covered golf, football, baseball and softball, with high energy and interaction for youth. Children between the ages of 7-17, all genders, gathered

and shared a day of exercising and education with top national and local coaches.

The golf event took place at Talking Stick Resort. Through different stations the kids

were able to test out their golfing skills.

The station I thought was the coolest was the “Dream” station. It started with Notah Begay III, one of the first Native Americans to play in the

Story and photo by R. Peters

Ak-Chin Tribal Council held their first Community Meeting for 2023 on Monday, January 30. As there were no presentations on agenda, Council members shared updates for the month.

Chairman Robert Miguel began the meeting with opening remarks, and introduction of council's newly elected council members Gabriel Lopez and Cecil Peters. Council member Lisa Garcia followed with a prayer.

Chairman attended Arizona Governor Katie Hobbs Inauguration at

the State Capital. He talked about her relationship prior to becoming Governor with tribes and her vision to continue to work with Arizona tribes.

He attended the Legislative Forecast luncheon at Chase Field with the Arizona Diamondbacks and many other dignitaries and newly elected officials, as well as attending the Indian Nations and Tribes Legislative Day at the State Capital.

## DOGYARD plays first hometown gig at Hohokam Skate Park

Story and photos by R. Peters

Friday, February 24, Hohokam Skate Park in Ak-Chin Indian Community transformed into a mini concert venue with four bands lined up to play, starting at 7pm.

The event was posted on FB and had a pretty good turnout, as the small gathering turned into a decent crowd of moshers and skaters circling the skate arena.

Once the final band began, Dogyard, featuring community member Ralston Justin

on rhythm guitar, the crowd practically took over the whole skate area.

Ralston, who sometimes plays leads and backup vocals said he knew some of the band members for years before he started playing with the band.

“I’ve jammed with Chris (lead guitarist) and Danny (drummer) before... “so we all knew of each other musically wise.”

Ray plays bass and Fizz

is lead vocals. Chris texted Ralston to come jam with them, “and I went over to the practice space and the rest is history.”

Ralston then shared how the event all came together.

“We all wanted to have our first show of 2023 to be a hometown show, we just didn’t know where. Danny asked if it could be at the skate park and then I ran with that and asked Ann Antone... she gave us the green light

# Nathius Jacuinde Honored for Bravery

Story and photo by T. Marshburn

Nathius receives certificate and gift bag from Ak-Chin Fire department, February 28.

Ak-Chin Fire department honored Nathius Jacuinde with an award for his bravery on February 28.

While walking home from school Nathius saved his sister from being attacked by a dog.

Nathius recalls the incident telling us that he seen the dog and his first reaction was to push his

sister out of the way. Nathius was transported to Banner Children's Hospital where he was treated for his injuries he sustained.

In addition to a certificate Nathius was presented with a bag of goodies and an open invitation from the fire department to stop by and hang out with them.

Ak-Chin Fire was so impressed with how calm Nathius was they felt they had to reward him in some way.

This is the first time an award like this has been given to anyone. The fire department threw out the idea of Nathius joining their team one day as a fire fighter, stating, that kind of bravery is exactly what they are looking for.

## StrongHearts Responds To Gun Violence

(EAGAN, Minn., February 17, 2023) – Less than two full months into 2023, our country has already experienced more than 70 incidences of gun violence.

Michigan State University is the latest to experience a mass shooting in a school setting.

StrongHearts Native Helpline stands with the victims and survivors of gun violence, their family and friends, as they process their horrific experience.

"When we think about survivors of trauma from the standpoint of domestic and sexual violence, we know that these experiences take time and effort to heal," said CEO Lori Jump, StrongHearts Native Helpline.

"Likewise, gun violence has become a constant source of trauma in America turning our schools, shopping centers and our homes into a battleground."

Jump explained survivors of trauma need mental health services for post-traumatic stress disorder (PTSD) that is more often than not unavailable in poor communities where gun violence is prevalent.

"There is a dire need for health professionals to mobilize and respond to the increasing number of gun violence cases that plagues our country," concluded Jump.

StrongHearts Native Helpline supports common sense legislation to ensure the safety of all citizens in the United States. We understand that gun violence is not a stand alone issue.

America's mental health system is broken and fails to meet the most basic needs of its citizens.

StrongHearts Native Helpline supports the Strengthening Protections for Domestic Violence and Stalking Survivors Act, recently introduced by Senator Klobuchar (MN) and Representatives Dingell (MI) and Fitzpatrick (PA) and implore our elected representatives to take swift action to improve the safety of our citizens.

StrongHearts Native Helpline is a 24/7 culturally-appropriate helpline for Native Americans impacted by domestic and sexual violence. For support and advocacy, call or text: 1-844-762-8483 or chat online at [strongheartshelpline.org](http://strongheartshelpline.org).

PGA, who told a story about his up bringing and the challenges he faced as a child.

Much like the other nights they had high energy interactive stations for football.

The children got to talk about their own hopes and dreams, even writing them on sticky notes to be displayed throughout the day.

The stations included running, throwing and catching under the direction of professional coaches and athletes.

The kids were divided into smaller groups to navigate through the different stations.

The final event was baseball and it opened with a heartfelt message from Ak-Chin Chairman Robert Miguel.

There were a number of athletes at each event, but Davante Adams was definitely the star of the show for the football night.

He spoke about the importance of never giving up on your dreams, which seemed to be a big theme of each event.

The children were so excited to see him. They literally chased him off the field as he yelled "I got \$5 for anyone who can catch me."

Every speaker told inspirational stories that I sure the children will keep with them forever.

# Chairman throws First Pitch

Ak-Chin Chairman Robert Miguel was recently asked to throw out the first pitch of the University of Arizona men's baseball season at Salt River Fields in Scottsdale.

Tennessee Volunteers. The Volunteers went into the game ranked as the #2 team in the Nation. The UofA Wildcats came away with a 2-1 victory.

Due to the significance of the tribes' relationships with the University of Arizona, as well as playing on the indigenous grounds at Salt River Fields, it was very appropriate and respectful for UofA to reach out and have a tribal leader initiate their 2023 season.

Chairman Miguel gets signature from University of Arizona Wildcat, catcher-pitcher Luke Moeller.

The game featured the University of Arizona Wildcats vs the

Ak-Chin kids participating in various activities and posing alongside athletes such as Notah Begay III (Golf), Christian Watson (Football), Davante Adams (Football) and Jacoby Ellsbury (Baseball).

# Country Pop Singer Jordan Davis to Take the Stage at The Events Center at Harrah's Ak-Chin Casino

(MARICOPA, Ariz. — Feb. 23, 2023) — Jordan Davis, an American country pop singer and songwriter best known for his hit duet “Buy Dirt” with Luke Bryan, is coming to The Events Center at Harrah's Ak-Chin Casino on Friday, April 28.

A creative soul born in Shreveport, Louisiana, Davis secured a recording contract with Universal Music Group Nashville in 2016 with his genre-defying sound and lyrically-driven tracks. “Buy Dirt,” Davis’ 2021 duet

with Luke Bryan, reached Number One on the Hot Country Songs chart and was one of the Top Five most streamed country songs in both 2021 and 2022.

“I’ve settled into a really good headspace in writing songs, which is rooted in being honest—about past things that I’ve gone through, good or bad, and about some things that have kind of scared me about the future. So, the best thing for me is that ‘Buy Dirt’ opened up a whole other lane of songs that I think people can really connect

with,” says Davis.

A well-respected and relevant artist, Davis is set to bring his talents to The Events Center stage for a night to remember with songs that people are going to feel—not just hear.
